Re: *Copperweld Bimetallics, LLC v. Exponent Inc.*
No. 1:24-mc-00457
Consented to request for extension of time

Dear Judge Failla:

Per Your Honor's Rule 2.C.i., we write on behalf of Cerro Wire LLC's ("Cerro Wire") and Exponent Inc. ("Exponent") to jointly, respectfully request an extension of time for Exponent's opposition to the motion to compel for an additional nine (9) days, until December 6, 2024. Per the Court's November 14, 2024 Order, Exponent's opposition is due on November 27, 2024. (ECF # 10) The Court granted one previous extension sua sponte and another at the parties' request. This extension is sought to allow the parties additional time to seek resolution of the discovery sought by Cerro Wire without further intervention by the Court; discussions among counsel are ongoing. Exponent consents and joins in the request for an extension of time.

Thank you for your consideration.

Respectfully submitted,

/s/ Michael Sebba
